OFFICE OF LEGISLATIVE COUNSEL

Tuesday - 3 October 1967

25X1 1. [] Met with Col. Labre Garcia, Hardy Subcommittee staff, who thanked me for the Agency assistance last week, and advised that DIA will be handling the security sweep for their appearance this week.

25X1 2. [] [] met with Mr. Clifford Gaucher, Administrative Assistant to Representative Phil Philbin, and provided a general briefing on Indonesia. Mr. Gaucher will be leaving the States on his trip a week from Thursday. He again expressed his appreciation for Agency assistance in preparing him for his survey trip to Southeast Asia.

In the absence of Representative Philbin, I gave a copy of the Director's letter of 25 September to Chairman Rivers, to Mr. Gaucher for Mr. Philbin. Mr. Gaucher advised that Mr. Philbin will probably review the letter after his return to the office this evening, and if he has any questions for further information, Mr. Gaucher will call me.

25X1 []
[] Mr. Gaucher noted in passing that he had mentioned the Director's letter to Mr. Philbin who is interested in receiving this information and will review it possibly later this evening.

25X1 3. [] Ed Miller, in the office of Senator Howard Baker, called to say the Senator was interested in receiving information on Bolivia and the guerilla situation there. He said if this could not be presented in an unclassified paper, the Senator would like to have this done in the form of a briefing. I told Mr. Miller I would look into this and be in touch with him.

Later in the day, I talked with Mr. Miller again and learned that Senator Baker had been taken ill and is expected to be incapacitated for the rest of the week. It was agreed that we would get together again on this early next week.
